

**SEC-Required Report on Routing of Customer Orders  
From 10/01/09 through 12/31/09**

Ingalls & Snyder LLC has prepared this report pursuant to a U.S. Securities and Exchange Commission (SEC) Rule 11Ac1-6 (17 CFR §240.11Ac1-6) which requires all brokerage firms to make publicly available quarterly reports of certain information on their order routing practices. The report provides information on the routing of "non-directed orders", which is defined as any order that the customer has not specifically instructed to be routed to a particular venue for execution. For these non-directed orders, Ingalls & Snyder LLC has selected the execution venues on behalf of its customers.

The report is divided into four sections: one for securities listed on the New York Stock Exchange/ARCA, one for securities listed on The Nasdaq Stock Market, one for securities listed on the NYSE/AMEX or regional exchanges, and one for exchange-listed options. For each section, this report identifies the venues most often selected by Ingalls & Snyder LLC, sets forth the percentage of various types of orders routed to the venues, and discusses the material aspects of Ingalls and Snyder's relationship with the venues.
